We are pleased to advise that your application for IATA accreditation of your Agency has been approved. The effective date of your IATA Approval and the IATA numeric code are shown above.

The duplicate copy of the IATA Passenger Sales Agency Agreement is enclosed. Please note, however, that the Agreement will only become effective between your Agency and individual Airlines after such Airlines have duly appointed your Agency to represent them (Article (1) of the Agreement refers).

In addition, an IATA Crest is enclosed for you to display on the entrance door or show window of your Approved Location. This crest may only be displayed at your Approved Location and must be removed in case of change of location, relinquishment or withdrawal of such IATA approval.

In accordance with the provisions of the Passenger Sales Agency Rules, please ensure that you notify IATA prior to the effective date of any change, which may take place within your agency. The IATA approval of Agents undergoing such changes is subject to review to ensure that they continue to meet the required standards.

We take this opportunity to congratulate you on the favourable outcome of your application for IATA approval with the wish that this accreditation will benefit both your Agency and the industry.

Should you have any query, please do not hesitate to contact this office.

Thank you and best regards.

Yours sincerely
