

Hail A2Z!

December 13, 2011.

We shall remember this day for rest of lives. How many companies, in their entire lifetime, can experience what God gave us on 13.12.2011?

Friends, on this fateful day,

The Honourable Prime Minister of India, Dr. Manmohan Singh bestowed THE BEST CITY NATIONAL AWARD FOR IMPROVEMENT IN SOLID WASTE TO OUR KANPUR PROJECT

Not only we, but the state and the Govt. of Uttar Pradesh were so exhilarated that the Hon'ble Minister, Urban Development and Municipal Administration, Govt. of UP, Sh. Nakul Dubey, and the Worthy Commissioner Capt. Rahvendra Vikram Singh decided to receive this award themselves. This entire function was televised live on many channels including DD National that carried the message and tales of Your excellence to all nooks and corners of the country.

My fellow A2Zians, Please accept heartiest CONRATULATIONS from our Worthy CMD, Sh. Amit Mittal, myself and Team Infra. You and Your Company have set a standard that is hard to duplicate, lesser possible to break.

The Hon'ble Minister Urban Development, Govt. of UP, and The Worthy Commissioner, NN Kanpur receiving the National Award

The GRAND NATIONAL AWARD

I shall record my sincerest gratitude to Team Infra for making this day happen for all of us.

Thank You! Sh. Anil Aggarwal!

Thank You! Nair Sir!

Thank You! CFO Sir!

And Thank You! CMD Sir, for leading us to this place!

I take the responsibility and blame of not sharing this GREATEST of all news for so long. I was probably too overwhelmed and woke up late. I trust you will all allow me this.

When a Nation rewards you, it sets new expectations from you also. Because then you are supposed to be beacon for other and lead others. A role A2Z has been entrusted with. And I take this opportunity on behalf of all of you A2Zians to promise to our CMD that we ALL have accepted this role and challenge. LEAD, We Will And Succeed, We Will!

In Total Humility – Sharing This Award on Your Behalf

As I wrote a few days back also, when You were honoured with CII Best MSW Company Award on 06.12.2011, “This country has found a new HERO in you, my team! And we HAVE to remain here. For if we fail to remain here it will be an unpardonable failure, akin only to King Paurav losing to King Alexander! A possibility will fail. A hope of this great nation will fail. And A2Z cannot let this failure happen.”

Succeed Always A2Z,

God Bless Us All

Rajneesh Mehra
